## *Changing Seasons*

**Whew! Where did the summer go? Can it possibly be almost Fall? Kinda sad, huh?**

**But it was a great summer, wasn't it?-- A great C.A.M.P., and all of the fun that Summer is, but now it's Changing time.**

**We say "So-long to Summer" and "Welcome Fall". It's gonna take a change in attitude!**

**But it will be a great Fall! --- Football!, School!, the beautiful Fall foliage! and a great life filled with wonderful opportunities!**

**Many of us will be starting new adventures-- college-- the military-- new jobs, etc. Fall is seemingly a time for new decisions.**

**All of us need to make decisions about what is next in our lives. What can I do to improve who I am? (Well we can't improve on who we are-- God made us this way, but we can certainly improve on what we are doing with it!)**

**Fall is a good time to take a look at ourselves. Are we living up to the potential that God intended for us? What can we do to make sure we are? Why not start out by asking Him?**

**If we listen, He'll tell us! and then—**

**“Changing my attitude  
changes my life!- It's easy!”**
